

# The Dandy Warhols, Retarded

I really might seem retarded  
But i really wanna see you again  
Want nothing but to be your friend  
So i could see you again

If i feel a bit disregaured  
Don't think i need you to attend  
Or you to condescend  
So i could see you again

Hey i think like a fool  
But you can't trust your friends  
Or you can f\*\*k your friends  
But i don't (hey)
