

The Delgados, Favours

V1

Started to fight
But I took off in fright
Could not believe
That she didnt chase me

V2

Climbed on her back
With an ambush attack
Down came the force
And down came the briefcase

V3

Quiet before
Then you came to the fore
Not unsurprised
Still happy to see you

V4

You know theres no chance
Not a sniff of romance
And Im thinking this is the end of the line

Chorus

And youre feeling fine
Are you looking for favours
Returned for your crime
Help me to stand
Help me to say
That I dont want to be here
I dont want to stay
I just want away

V5

A hit for a feel
With unconquered appeal
You locked the door
And I started to tremble

V6

Touch without touch
Are we feeling too much
I cant decide
If Im feeling able

V7

Eyes that dont meet
Are we too scared to speak
I cant provide
What you are requesting

V8

You know theres no chance
Not a sniff of romance
And Im thinking this is the end of the line

Chorus

And youre feeling fine
While youre looking for favours
Returned for your crime
Help me to stand
Help me to say
That I dont want to be here
I dont want to stay
I just want away

(M8)

Chorus

And I, Ill try to feel fine
While Im taking orders from bottles of wine
Help me to stand
Help me to say
That I dont want to be here
I just want away

Touch without touch
Feel without feel
Are we both really hoping
This just isnt real
Help me to stand
Help me to say
That I dont want to be here
I dont want to stay
I cant give today
