

# The Derek Trucks Band, I Wish I Knew

I wish I knew how it would feel to be free  
Wish I could break the all the chains holding me  
I wish I could say everything I have to say  
Say it loud, say it clear, for the whole round world to hear

I wish I could share all the love that's in my heart  
Remove all the bars that keep us apart  
I wish you knew how it would feel to be me  
Then you'd see and agree, everyone should be free

I wish I could give all I'm longing to give  
I wish I could live like I'm longing to live  
I wish I could do everything that I should do  
Though I'm way over due, I'd be starting anew

I wish I could be like a bird in the sky  
How sweet it would be if I found I could fly  
I'd soar to the sun and look down at the sea  
And I'd sing, 'cause I know everyone should be free
