

# The Derek Trucks Band, Our Love

I know, know what it's like on my own  
Things have been wrong but I don't want to be alone again  
Sometime, time ain't always on our side  
You can let fate pass you by  
But if you want me to wait for you

You know  
Our love  
Is crazy  
Crazy is beautiful  
And I know  
Our love  
Is crazy  
Nowhere I'd rather be

I won't let our world slip away  
If you can be strong for a day  
We both know  
I've been guilty before  
You give  
More than you maybe should  
While I sit and I hope you could  
Take a breath  
That's for yourself

We know  
Our love  
Is crazy  
It's what we do it for  
I know  
Your love  
Is crazy  
I know where you get it from

Crazy is beautiful (repeat)
