

# The Devil Wears Prada, Louder Than Thunder

What would it take  
For things to be quiet  
Quiet like the snow  
I know, this isn't much  
But I know I could, I could be better  
I don't think I deserve it,  
Selflessness  
Find your way into my heart  
All stars could be brighter  
All hearts could be warmer  
What would it take  
For things to be quiet  
Quiet like the snow  
Are we meant to be empty handed  
I know I could, I could be better  
I don't think I deserve it  
Selflessness  
Find your way into my heart  
All stars could be brighter  
All hearts could be warmer  
What would it take  
What would it take  
What would it take, for things to be quiet
