

The Devil Wears Prada, Louder Than Thunder

What would it take
For things to be quiet
Quiet like the snow
I know, this isn't much
But I know I could, I could be better
I don't think I deserve it,
Selflessness
Find your way into my heart
All stars could be brighter
All hearts could be warmer
What would it take
For things to be quiet
Quiet like the snow
Are we meant to be empty handed
I know I could, I could be better
I dont think I deserve it
Selflessness
Find your way into my heart
All stars could be brighter
All hearts could be warmer
What would it take
What would it take
What would it take, for things to be quiet
