

The Devlins, Crossing The River

Something tells me I can trust in you
There's no pretense in the things you do
So much water under the bridge
And I'm standing here at the water's edge
Looking into your eyes
I'm crossing the river to get to you
I'm crossing the river
Crossing the river
You had the longing of a broken heart
Shine your light in a room that was frozen dark
Looking into your eyes (looking into your eyes)
I'm crossing the river (crossing the river) to get to you
I'm crossing the river (crossing the river)
And this time I'll make it through
With your faith and your arms open wide
I see you there on the other side
Crossing the river, of fear and pride
There's no turning back,
I know I've come so far and I've got so far to go
Looking into your eyes (looking into your eyes)
I'm crossing the river (crossing the river) to get to you
I'm crossing the river (crossing the river)
And this time I'll make it through
With your faith and your arms open wide
I see you there on the other side
Crossing the river, of fear and pride
Oh yeah, I'm crossing the river
I'm crossing the river (crossing the river)
Crossing the river to get to you
