

The Dingeers, Carry On With The Countdown

Carry on with the countdown
Carry on with a gun in hand
Carry on with the countdown
Carry on in the sinkin' sand
Carry on with the countdown
Carry on at a point blank range
Carry on the leaderman
You ain't never gonna change a thing

I'm the voice shoutin' out in the concrete jungle

Carry on with the countdown
Pay no mind to the conscience thought
Carry on with the meltdown
Carry on the way that we ought
Carry on at ground zero
There ain't no time to be the hero
When there's a bomb in your front lawn
And I say carry, carry, carry, carry on
