The Diplomats, Let's Go

(Marvin Gaye) I've been really tryin' baby Tryin' to hold back these feelings for so long And if you feel like I feel baby Come on Ohhh come on Woo Let's get on (Little Kid's Voice) Let's get it on nigga (Cam'Ron) Ah man Lets get it on man Santana you on your own man Lets do it man Dipset We got these bastards Man let's do it (Juelz Santana) Uh, you nigga's dealin' with a G from the block Yeah it's me from the block Quick to tell a nigga' (Let's get it on) But I don't really like to beef on the block That bring heat to the block I got ta' eat on the block nigga' (Let's get it on) Yeah you dealin' with a pimp from the hood Keep a chick from the hood Quick to tell her aye (Let's get it on) Come on Let's go I'm tryin' to do it so aye (Let's get it on) I'm one hell of a quy Fly fella' can fly Like Scarface one hell of a high (Let's get it on) One hell of a ride That I ride, 23's look like the pellas' (propellers) on side (Let's get it on) Who stuntin' like me? Who frontin' like me? Who did it, who get it, who done it like me? You? (Let's get it on) Who wishin', who frontin', who want it from me? You? Come get it, you want it, it's nothing to me You? (Let's get it on) Yup, already know how I feel When it comes to pumpin' that steel It's like (Let's get it on) You know with these ride boys toke time up with the cowboy ropes So (Let's get it on) Uh, let's get it on y'all Uh, it's love (Let's get it on) Hey ma, back that ass up Lookin' back almost crashed up So (Let's get it on) That's love right there Hit em' one more time (Let's get it on, on, on) Fades till end
