

The Disco Boys, For You

8x:

I came for you

Princess cards she sends me with her regards,

Oh, bar-room eyes shine vacancy

To see her you gotta look hard

Wounded deep in battle, I stand stuffed like some soldier undaunted

To her cheshire smile I'll stand on file

She's all I ever wanted

You let your blue walls stand in the way of these facts, honey

Get your carpet baggers off my back

Girl give me time to cover my tracks

You said, "Here's your mirror and your ball and jacks"

But they're not what I came for

Oh I came for so much more

And I know you that too

And I know you know that's true

4x:

I came for you

I came for you

I came for you

For you

I came for you
