

# The Disco Boys, Hey St. Peter

I said, Hey, hey, hey St. Peter  
I've got a tale to tell  
I've just been down in New York town  
It really feels like hell

Hey, hey, hey St. Peter  
I've got a tale to tell  
I've just been down in New York town  
It really feels like hell

I said, Hey, hey, hey, hey, hey St. Peter  
Hey, hey, hey, hey, hey St. Peter

It really feels like hell  
It really feels like hell

Hey, St. Peter  
Before you ring your bell  
Just been down in New York town  
Done my time in hell  
Done my time in hell

I said, Hey, hey, hey, hey, hey St. Peter  
Hey, hey, hey, hey, hey St. Peter

It really feels like hell  
It really feels like hell...
