

The Distillers, Love Is Paranoid

I step right off the edge
Let the blood rush to my head
I'm going down to where the lucky ones have bled
I lift the veil up to reveal A fascination
And if you crave it
Then you know that you are injured

And I'm holding on
And I'm holding on

For what you do to me
oh Baby there's no measure
I've taken everything and
Now I want to give it
I left the lights on so you stumble in devotion
So easy
So easy
Its left unspoken

And I'm holding on
And I'm holding on
And I'm holding on
And I'm holding on

I've come to realize that you're the only thing I...
I'm falling all the way
I'm falling all the way
I've come to realize you're the only thing I want now
I'm fallen all the way in
I'm fallen all the way in
I'm fallen all the way in
I'm fallen
I'm fallen all the way in
I'm fallen all the way in
I've fallen all the way in
I've fallen all the way in
I've fallen all the way in
I've fallen all the way in
