

The Divine Comedy, Everybody Knows (Except You)

Everybody knows that I love you
Everybody knows that I need you
Everybody knows that I do except you

I told the stars above about the one I love
I told the morning sun, yeah I'm telling everyone
I told my mum and dad, they seemed to understand
And I'll get through to you if it's the last thing that I do

Everybody knows that I love you
Everybody knows that I need you
Everybody knows that I do except you

Everybody knows I live for you
Everybody knows I adore you
Everybody knows that it's true except you

I told all of my friends again and again and again
I drove them round the bend, so now you're my only friend
I told the passers-by, I made a small boy cry
Yeah, and I'll get through to you, if it's the last thing that I do

'Cause everybody knows that I love you
Everybody knows that I need you
Everybody knows that I do except you

I'm going crazy baby (Everybody)
What do I have to do ? (Knows I love you)
You know I love you baby (Everyone except you)
Maybe you'll love me soon ?

Everybody knows I live for you (Everybody)
Everybody knows I adore you (Knows I love you)
Everybody knows that it's true except you (Everyone except you)

Except you
Except you
Except you
How come everyone knows except you ?

Yeah, everybody knows that I love you (Everybody)
Yeah, everybody knows that I need you (Knows I love you)
And everybody knows that I do, except you
