

# The Divine Comedy, Here Comes The Flood

Here comes the flood  
Rivers of mud, baby  
Here comes the quake  
Evacuate while you still can  
Here comes the fire  
Our funeral pyre, baby  
Here comes the flood  
Here comes the blood bath

Here comes the fly  
Fifty foot high, baby  
Here comes the war  
More blood and gore  
Than you can stand  
Here comes the race  
From outer space, baby  
It's all over  
We're all gonna die

If the good Lord had intended me to live in L.A. he'd given me a machine gun. Still, here I am, just a

Here comes the flood  
Rivers of blood, baby  
Here comes the bomb  
It won't be long  
Til we're all gone  
Here comes the sun  
Run baby run, baby  
If you believe all that you read  
You'll know the end is nigh  
We're gonna die!!
