

# The Divine Comedy, Love What You Do

Living isn't easy  
No need to make it harder  
Stretch yourself until you snap  
Ditch your superstitions  
Lose your inhibitions  
Tell them you're not coming back

If you want it, you can have it  
If you need it, go and get it  
Whatever it is you've got to love it

Everybody's running  
Round and round in circles  
What is it they're trying to prove?  
Exercise your freedom  
Exorcise those demons  
You have got to love what you do

If you want it, you can have it  
If you need it, go and get it  
Whatever it is you've got to love it
