

# The Divine Comedy, Perfect Lovesong

Give me your love  
And I'll give you the perfect lovesong  
With a divine Beatles bassline  
And a big old Beach Boys sound  
I'll match you pound for pound  
Like heavy-weights in the final round  
We'll hold on to each other  
So we don't fall down

Give me a wink  
And I'll give you what I think you're after  
With just one kiss I will whisk you away  
To where angels often tread  
We'll paint this planet red  
We'll stumble back to our hotel bed  
And make love to each other  
'Til we're half dead

Maybe now you can see  
Just what you mean to me

Give me your love  
And I'll give you the perfect lovesong  
Give me your word  
That you'll be true to me always come what may  
Forever and a day  
No matter what other people may say  
We'll hold on to each other  
'Til we're old and grey
