

# The Donnas, Backstage

Well, you're all dressed up  
And you had some place to go  
Yeah, you waited so long just to get into my show

[Chorus]

Don't you know that you're not invited?  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's not enough room for you  
You waited till the last song  
and you made your move  
drink after drink till you got somethang to prove  
sweetheart!

Don't you know that your not invited  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's no back stage for you  
So, you look so foxy  
Yeah, your band plays something new  
And you're telling all your friends  
That I wouldn't talk to you, no

[Repeat Chorus]

Backstage [4x]
