

# The Donnas, Can't Keep It A Secret

Your the sweet that gets stuck in my teeth  
Oh Oh  
Your the song I play on repeat  
Oh Oh  
They say I'm not the one your looking for  
When you play hard too get, your hard to ignore

I can't keep it a secret anymore  
Whoa Whoa  
I can't hide it cause' everybody knows  
I'm gonna get with you

I am the law you should be breaking  
I'm a holiday you should be celebrating  
They say I'm not the one your looking for  
When you play hard to get your hard to ignore

I can't keep it a secret anymore  
Whoa Whoa  
I can't hide it cause' everybody knows  
I'm gonna get with you

Just one kiss  
It'll make me feel like this  
The secrets out  
Now I've got a reason to shout out loud  
I said I've got what you've been lookin' for  
Cause I'm hard to forget, hard to ignore

I can't keep it a secret anymore  
Whoa Whoa  
I can't hide it cause' everybody knows  
I'm gonna get with you

I can't keep it a secret anymore  
Whoa Whoa  
I can't hide it cause' everybody knows  
I'm gonna get with you
