

The Donnas, Gimmie A Ride

I got the message on my machine
The party starts at 10:15
So tell me can you gimmie a ride
Drop what you're doing and meet me outside

Speedin' up cause we're runnin' late
Take the shortcut by the Super 8
I have to make it across the Bay Bridge
Fast enough to put the beer in the fridge

Gimmie a ride, Gimmie a ride
It's your turn, we've got fuel to burn
Gimmie a ride, Gimmie a ride
Let's go cause we're on a roll

Our car is rented and it's already dented
But it's freshly lemon scented
We might be late but it won't kill you
Make a stop at the nearest drive thru

(Repeat 2x)
Gimmie a ride, Gimmie a ride
It's your turn, we've got fuel to burn
Gimmie a ride, Gimmie a ride
Let's go cause we're on a roll

Gimmie a ride, Gimmie a ride
It's your turn, we've got fuel to burn
Gimmie a ride, Gimmie a ride
