

The Donnas, I Don't Wanna Rock And Roll Tonight

I don't wanna rock 'n roll
I don't wanna rock 'n roll
I don't wanna rock 'n roll tonight
I just wanna be with him
But he's out with her again

I don't wanna rock 'n roll tonight, all right, baby
I don't wanna rock 'n roll tonight, all right
Tonight, all right
No no no
Hey hey hey

I don't wanna rock 'n roll
I don't wanna rock 'n roll
I don't wanna rock 'n roll tonight

My old records just won't do
And I'm out of freshener too

I don't wanna rock 'n roll tonight, all right, baby
I don't wanna rock 'n roll tonight, all right
Tonight, all right
No no no
Hey hey hey

I got the radio on and I'm sitting in my room
But rock 'n roll won't do when I want him

I don't wanna rock 'n roll
I don't wanna rock 'n roll
I don't wanna rock 'n roll tonight

I just wanna be with him
But he's out with her again

I don't wanna rock 'n roll tonight, all right, baby
I don't wanna rock 'n roll tonight, all right
Tonight, all right
Tonight
Woah woah woah

I don't wanna rock 'n roll tonight
(I don't wanna rock 'n roll tonight)
