

# The Donnas, I Don't Want To Know (If You Don't

&quot;I Don't Want to Know&quot;

Hey!

I know where you live, yea  
And I wanna live there too  
I drive by almost everyday, its not even really on my way  
When am I gonna get to see you?

It won't be misunderstood  
It won't do you any good  
Think I'm not the one you could  
But I know that you would

I don't wanna know if you don't want me, no  
(Dont want me, no)  
I dont wanna know if you dont want me, no

Hey!

I have a shirt that belongs to you  
And I use it to guess all the things you do  
I already met your mom and dad  
Said I'm the best one you never had  
And I think you should really reconsider

It won't be misunderstood  
It won't do you any good  
Think I'm not the one you could  
But I know that you would

I don't wanna know if you don't want me, no  
(Dont want me, no)  
I dont wanna know if you dont want me, no

I watched you through the window last night  
And I thought I saw a girl in the candlelight  
You think thats fair after all I've done?  
Restraining orders one by one  
And I sure hope that was your sister

I guess you misunderstood  
Didn't do you any good  
That you thought I never could  
Now you know thst I would  
Now you know that I would  
Now you know that I Would

I don't wanna know if you don't want me, no  
(Dont want me, no)  
I dont wanna know if you dont want me, no
