

The Donnas, Play My Game(Surf Girls Theme)

(Chorus)

Well u can play my game
if u just tell me your name
well u can play my game
but ill put u to shame

I devote my highest score
when you walk through that door
i lost my game and your to blame
i could have been in the hall of fame

(chorus x2)

lets default, we dont need a court
its u and me baby, full contact sport
and there's no ref to tell us 2 stop
we can play until we drop

(chorus x2)

Well u can play my game...Hey
well u can play my game...Hey Hey Hey

Ill let u flip my flipper
if u let me unzip ur zipper
cmon lets play, just ten more rounds
i want to take you out of bounce

(chorus x2)
