

The Donnas, Tonight's Alright

Didn't sleep at all last night
It don't matter
No way I'm gonna make my fight
It don't matter

Well who needs sleep 'cause you never know
I've got nowhere to go

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

I threw it down but they declined it
It don't matter
Don't wanna be reminded
It don't matter

Well who needs that, don't wanna pay
I've got my own anyway

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

Making the same demand
I really don't give a damn
Under no command
'Cause I just don't give a damn, yeah

Didn't sleep last night and it doesn't matter
The money's tight, it doesn't matter
Well who needs sleep 'cause you never know
I've got nowhere to go
Oh no

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat
