

The Donnas, Wig-Wam Bam

(Nicky Chinn / Mike Chapman)

I don't want to be a bother too much,
I just wanna be the girl you wanna touch.
You make me cream in my jeans.
I wanna be the first like you never hurt,
And make you shudder inside.

Chorus:

I said, wig-wam bam, I'm gonna make him my man.
Wam bam bam, I'm gonna catch him if I can.
Wig-wam bam, I'm gonna make him understand.
Try a little touch, try a little too much,
Just try a little wig-wam bam.

You can run but you can't hide.
I just wanna see all you've got inside.
I wanna do it 'til you make me scream.
Take me by the hide, eyes open up wide,
And make me shudder inside.

Chorus

Wam bam bam-sham-a-lam
Wig wam bam-sham-a-lam
Wig wam bam-sham-a-lam
Wig wam bam-sham-a-lam

I don't want to be a bother too much,
I just wanna be the girl you wanna touch.
You make me cream in my jeans.
I wanna be the first like you never hurt,
And make you shudder inside.
