The Doobie Brothers, Beehive State

Randy newman

Since you're the delegate from kansas Will you kindly take the floor Now tell us, what is kansas thinkin' What is kansas for Kansas is for the farmer We stand behind the little man We need a fire house in topeka So help us if you can

I see the gentleman from utah
Our friendly beehive state
How can we help you, utah
How can we make you great
We got to irrigate our deserts
We got to get some things to grow
We got to tell this country about utah
'cause nobody seems to know
