

# The Doobie Brothers, Don't Stop To Watch The V

Patrick Simmons/Jeffrey Baxter/Michael Ebert

I was trashed, ridin' on my 74  
Goin' out to even the score  
She pulled the top down on her convertible  
I've got a lot of miles to cover  
But if you think you need a lover  
All right

Climb on, hold tight, I got a long ride tonight

Look out, hold on  
Don't stop to watch the wheels go 'round  
Look out, hold on  
I got to cover ground

Well, I flashed the colors that I wore  
I got to have a little more  
Of this sweet, sweet thing  
I've got a lot of miles to cover  
But if you think you need a lover  
All right

Climb on, hold tight, I got a long ride tonight

Look out, hold on  
Don't stop to watch the wheels go 'round  
Look out, hold on  
I got to cover ground...
