

# The Doobie Brothers, Tell Me What You Want (And I'll Give You What You Need)

Patrick Simmons

Easy, time won't keep you waitin' any longer  
Than you waited in the past  
Cool and breezy, winds are blowin' sweetly  
On the edges of the garden at last

Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Look into my eyes and you'll see me standin' there

Feelin' happiness inside you now  
You always knew it was a state of mind  
You're just reelin', takin' in the thoughts around you  
Every one's got secrets you must find

Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Look into my eyes and you'll see me standin' there

Oo, it's so easy  
Cool and breezy  
What a feelin'  
It's got me reelin'

Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Tell me what you want and I'll give you what you need  
Look into my eyes and you'll see me standin' there
