

# The Doors, Close To You

(Willie Dixon)

(I want to get)

Close to you like black on white,  
Close to you like the coldest of ice,  
Close to you like a siamese twin,  
Close to you like I'm feeling all right.

(I want to get)

Close to you baby, X3  
I don't know what to say or do.

(I want to get)

Close to you like the sight of your eye?  
Close to you like the heat is to fire,  
Close to you baby as close as I can get,  
Close to you like water is wet.

(I want to get)

Close to you till I'm feeling all right,  
Close to you - gonna love you all night,  
Close to you in New York City,  
I love you so much you know it's a pity.  
Closer and closer baby.  
Closer and closer baby.
