The Doors, End Of The Night

Take the highway to the end of the night End of the night, end of the night Take a journey to the bright midnight End of the night, end of the night

Realms of bliss, realms of light Some are born to sweet delight Some are born to sweet delight Some are born to the endless night End of the night, end of the night End of the night, end of the night

Realms of bliss, realms of light Some are born to sweet delight Some are born to sweet delight Some are born to the endless night End of the night, end of the night End of the night, end of the night
