The Doors, The Movie

The movie will begin in five moments
The mindless voice announced
All those unseated will await the next show.

We filed slowly, languidly into the hall The auditorium was vast and silent As we seated and were darkened, the voice continued.

The program for this evening is not new You've seen this entertainment through and through You've seen your birth your life and death You might recall all of the rest Did you have a good world when you died? Enough to base a movie on?.

I'm getting out of here Where are you going? To the other side of morning Please don't chase the clouds, pagodas

Her cunt gripped him like a warm, friendly hand.

It's alright, all your friends are here When can I meet them? After you've eaten I'm not hungry Uh, we meant beaten

Silver stream, silvery scream Oooooh, impossible concentration.
