

The Doors, Universal Mind

I was doing time in the universal mind.
I was feeling fine.
I was turning keys, I was setting people free.
I was doing all right.

[Chorus:]

Then you came along
With a suitcase and a song,
Turned my head around.
Now I'm so alone
Just looking for a home
In every place I see.
I'm the freedom man [x3]

That's how lucky I am.
I was doing time in the universal mind.
I was feeling fine.
I was turning keys, I was setting people free.
I was doing all right.

[Chorus]

I'm the freedom man.
I was doing time in the universal mind.
I was feeling fine.
I was turning keys, I was setting people free.
I was doing all right.

[Chorus]

I'm the freedom man X3
