

The Draft, Up All Night

Don't be afraid to step inside.
We'll get it right one of these times,
cause the ones they thought they put to bed
are up and dancing on their heads the whole night.
Hey, it's just another night,
and it's ok if we're up all night,
cause we'll lock all the doors,
till morning reddens our eyes.

We're gonna pay for this in time.
But you wanna live, you have to die.
Cause as soon as we lay down to rest
the ringing starts inside our heads.
You feel like death, but you know that you're alive.
You're alive, and it's ok if we're up all night,
cause we'll lock all the doors till morning reddens our eyes.

No will to crawl.
So shake it off.
That's how I hope to be.

And it's ok if we're up all night
cause we'll lock all the doors,
till morning reddens our eyes.
