

The Dream, I'm Not Ok

OOOOOOOOOoooooOOOOOOOOOOOOOO

Radio radio radio radio

OOOOOOOoooooOOOOOOOOOOOOOO oh yeahh

Ive seen what youre facing, please dont be alarmed

If you need me, just call me

Youre never alone

Im barely sleeping, imp barely eating

Until the rain turns into change

My hearts is you heart, my love is your love

And imp not ok, unless youre ok

And my mind is your mind, and my soul is your soul

And Im not ok unless youre ok

Im headed wherever youre going,

I mean that from my heart

And if youll see, Ive been there from the start

Im not walking away; Im not talking just to say

Your pain is my pain; your gain is my gain

My hearts is you heart, my love is your love

And Im not ok, unless youre ok

And my mind is your mind, and my soul is your soul

And Im not ok unless youre ok

And Im singing

OOOOOOOOOoooooOOOOOOOO

OoooooOOOOOOOOOOOOOOooooo

I gonna be right here, so your tears dont form a river

Im gonna be right here, until your vision becomes clearer

I aint sleeping, Im not eating

Until the rain, turns into to change

My hearts is you heart, my love is your love

And Im not ok, unless youre ok

And my mind is your mind, and my soul is your soul

And Im not ok unless youre ok
