

# The Dream, Should've Been You

Verse 1:

You been looking at me funny every since the n\*\*\*a came up (came up, came up, came up)  
Thinking I was with you all the time and then I up and changed up (changed up, changed up yeah)  
You know damn well you had my mind, so you had my time  
Gave us all I had to give but I know thats hard to see that through your eyes  
So give us time and give us space, give it love, dont give it hate, wish I could take the pain away but

Chorus:

See me loving on her and I know what you thinking girl  
I should've been loving you  
Everytime I touch her I know what you thinking girl  
I should've been touching you  
You see her Chanel bags and her brand new Jag  
Baby you should think it through  
Cause you think everytime that I touch her, I should've been touching you, you, you  
So shawty let it ride ride ride yeah  
uhh huh, just let it ride ride ride yeah

Verse 2:

Now shawty use to be up in my picture like a painter (painter painter yeah)  
Now you the artist formely known like a sanger (sanger sanger yeah)  
I was your prince that became her king now you thinking the wrong queen is sitting beside me  
Just give it time and give it space and it will all go away I wish that I could take the pain away but I

Chorus:

See me loving on her and I know what you thinking girl  
I should've been loving you  
Everytime I touch her I know what you thinking girl  
I should've been touching you  
You see her Chanel bags and her brand new Jag  
Baby you should think it through  
Cause you think everytime that I touch her, I should've been touching you, you, you  
So shawty let it ride ride ride yeah  
uhh huh, just let it ride ride ride yeah
