

# The Dream, This Is Me

This is me (this is me...) this is me  
Ah... yeah... (this is me) c'mon...  
She stole your heart  
Only did it because she could  
Chewed you up and swapped you around  
That girl never was no good  
Baby I will never do that  
I'll love you faithfully  
But your suspicious mind thinks  
I'm gonna repeat her story  
She's making you crazy  
Making you a wreck  
Making you follow me  
Making me a suspect  
You seem to think I'm playing her game  
Don't you know her name  
That was her, this is me  
We're as different as can be  
She and I we're nothing alike  
You confusing day with night  
That was then, this is now  
You wanna trust me,  
But you don't know how  
I'm never gonna mess around,  
Set you down, can't you see  
That was her (that was her)  
And baby this is me (this is me)  
(This is me...)  
Stop making me feel bad  
I'm the best thing you ever had  
The only thing I'm guilty of  
Is giving you too much love  
(She's making you crazy)  
She's making you crazy  
Making you a wreck  
Making you follow me  
Making me a suspect  
You seem to think I'm playing her game  
Don't you know, don't you know her name  
That was her, this is me (yeah)  
We're as different as can be (you gotta know)  
She and I are nothing alike (yeah c'mon)  
You confusing day with night (day and night)  
That was then, this is now (now)  
You wanna trust me,  
But you don't know how  
I'm never gonna mess around,  
Set you down, can't you see (see)  
That was her (that was her)  
And baby this is me (this is me)  
(This is me...)  
{Bridge:}  
Don't suffocate me, don't misunderstand me  
Don't make me pay, for all her mistakes  
Believe or not, it's in my kiss  
(Don't see things that don't exist)  
That was her (yeah) this is me (whoa)  
We're as different as can be (yeah c'mon)  
She and I are nothing alike (no, no, no, no)  
You confusing day with night (oh...)  
That was then, this is now (this is now)  
You wanna trust me,  
But you don't know how (you don't know)  
I'm never gonna mess around,

Set you down, can't you see (can't you see)  
That was her (this is me)  
That was her, this is me (oh...)  
We're as different as can be (uh... yeah)  
She and I are nothing alike (oh, oh)  
You confusing day with night (day and night)  
That was then, this is now (you're mine now)  
You wanna trust me,  
But you don't know how  
(You don't know how)  
I'm never gonna mess around  
(Mess around...)  
Set you down, can't you see (c'mon)  
That was her (that was her)  
And baby this is me (get a grip)
