

# The-Dream, Turnt (ft. Beyonce & 2 Chainz)

People think im crazy but I love you cause you crazy too \_\_\_  
Red light special, undress me under the candle light  
Turnt up in this business  
Watch me do all of them things you like  
Im ready to go, ready to plow like grammy night in the back of that limousine  
Billy bob, and angeline  
All you gotta do, is the say the word  
And ill be right there on ya  
All you gotta do, is the say the word  
And ill be right there for ya  
To this white light, do that, we like good judda,  
Come baby be you, get on it while I see you  
Turnt up, all the way to the ceiling  
Burnt up, till you ain?t got no feeling  
On my phone, let?s hear it  
Talkin bout you gon kill it  
Beat it up, until I black out,  
Cash up, boy

I need this  
Sexy, ratchet, sophisticated, ratchet  
The black leather with the sun outside in the summer time, ratchet  
She need that cocky ratchet  
Ready to call back, ratchet  
That drop top, and B symbol, on me what, ratchet

Turnt up, turnt up, turnt up, woh  
Turnt up, turnt up, turnt up, woh  
Loving everything you do, baby im in love with you  
Turnt up, turnt up, turnt up, woh  
Turnt up, turnt up, turnt up, woh  
People think im crazy but I love you cause you crazy too

You?re my black light special  
She hotter than a famous night  
Burn up in this? and watch you do all the things I like  
Say you the reason why all of these rap niggas start singing  
She say you the reason why all of these cute girls got baby  
All you gotta do is say what?s happening  
And i?ll be right there baby  
All you gotta do is say what?s popping  
And i?ll be right there shorty  
Come on, like serious  
I told you I was gon killed it  
Got my chains on, imma kill it, with michelle, where kelly

I need this
