

The Dreams, Under The Sun

She walks alone
In shame
In pain
She closes her eyes
One more day
In this hell
Tears fall down her face
As they break her down
She surrenders
She disappears inside
As she cries for her savior

We are all under the sun
Under the same sky
So why do I feel all alone?
Under the sun
Under the same sky
We don't need to be on our own

He walks alone
Pretends to feel
But they don't understand
Useless hope
So numb
So unreal
He disappears inside
You're not alone in being alone

We are all under the sun
Under the same sky
So why do I feel all alone?
Under the sun
Under the same sky
We don't need to be on our own
All alone
We don't need to be on our own
All alone...
