The Dresden Dolls, The Gardener

Sorry for the set back and know i let you down turn back the clocks and and step back and spring might come around

My little miss cotton You're quite the stubborn kind If we cant make it open We will take it out in blood

We'll make a man out of you yet We will plant brambles in your bed Just close your eyes and count to ten This is as good as it will get

And it's a little mellow whipping A flutter to your knees They hung two things before me Oh the possibilities

Thank you for the warning But I still see the sun A little global warming Never hurt no one

We'll make a man out of you yet A crown of thorns around your head Get off your knees and have a look This is as good as it will get

At last my little flower
is getting put to use
You've always been a failure
But now you're bearing strange new fruit
the insides are all useless
but the rest is fertil soil
I'll take the belt from off the hook
And watch the garden grow

We'll make a man out of you yet
You won't know what will hit you next
The gardener's coming to collect
You wanted love that's what you'll get
The gardener's coming to collect
The gardener's coming to collect
The gardener's coming to collect
The gardener's coming to collect
