

THE DRIVER ERA, Rumors - feat. Ross Lynch

Doesn't matter what you say
I'm gonna do it anyway
And I ain't gotta plead my case to you
Tomorrow comes another day
The sun is shining on my face
And all these things just fade away from you
It's true

I see you talking
Keep it coming
know you want it
Cuz you love it
See i be dancing
And you're watching
Caught you staring
And I love it
Now she's in my room

These rumors these rumors
We're caught up in rumors
I bet you wish you knew the truth
About the things I do
Rumors these rumors
It's all good news
Cuz I'm On your tongue
And it's just what I what I want
Ooh

I know you think its complicated
That's just how some people make it
And I got better things that I could do
For you

I see you talking
Keep it coming
know you want it
Cuz you love it
See i be dancing
And you're watching
Caught you staring
And I love it
Now she's in my room

These rumors these rumors
We're caught up in rumors
I bet you wish you knew the truth
About the things I do
Rumors these rumors
It's all good news
Cuz I'm On your tongue
And it's just what I what I want
Ooh
Cuz I'm on your tongue
And it's just what I want
You're so caught up
Are you having fun?
Ooh
