## The Eagles, I Don't Wanna Hear Anymore

It's not the first time That I've had the sense that something's wrong But I'm old enough to know That things don't always work out like they should I know you're tryin' hard To break it gently to me, now But there's no easy way To tell it like it is, so baby... I don't want to hear any more You don't need to tell me it's over I've been here before I've seen that look before I know it well; it comes as no surprise You've been avoiding me But now you want to talk it over Before you take my hand And tell me softly in a whisper There's no need to explain I've read the book; I know how this all ends I don't want to hear any more You don't need to tell me it's over I've been here before I won't ask you to stay I won't stand in your way Look me right in the eyes

I've been here before I won't ask you to stay I won't stand in your way

And I don't want to hear any more

No, no, baby

I don't want to hear any more
