

The Eagles, Lying Eyes

City girls just seem to find out early
How to open doors with just a smile
A rich old man and she wont have to worry
shell dress up all in lace and go in style
Late at night a big old house gets lonely
I guess ev ry from of refuge has its price
And it breaks her heart to think her love is only
given to a man with hands as cold as ice
So she tells him she must go out for the evening
To comfort an old friend whos feeling down
But he knows where shes goin as shes leavin`
she is headed for the cheatin side of town
You cant hide your lyin`eyes
and your smile is a thin disguise
I thought by now youd realize
There aint no way to hide your lyin eyes
She gets up and pours herself a strong one
and stares out at the stars up in the sky
Another night its gonna be a long one
she draws the shade and hangs her head to cry
On the other side of town a boy is waiting
with fiery eyes and dreams no one could steal
She drives on through the night antic ipating
cause he makes her feel the way she used to feel
She rushes to his arms, they fall together
She whisper that its only for a while
She swears that shell be coming back for ever
She pulls away and leaves him with a smile
