

# The Equals, Let's Go To The Moon

Let's got to the moon  
Let's got to the moon  
Let's got to the moon  
for a day out babe !  
Let's got to the moon  
rocking living true.  
Get yourself aboard  
for a day out babe.

Venus in winter time

Venus in the sky.  
Anything's just for kids  
and a day out babe -  
gonna see marge  
on Friday afternoon  
with everybody rushing home  
to see the Equals's show.

Beautiful moon-beans  
I'll catch them in my hand.  
Then I'll give one to you  
for a souvenir.  
We'll take a walk  
through the crowded avenues  
then I'll whisper in your ear  
I'm in love with you.
