

# The Everly Brothers, The Price Of Love

Wine is sweet and gin is bitter  
You drink all you can but you wont forget her  
You talk too much, you laugh too loud  
You see her face in every crowd

Thats the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when youre to blame

Kiss one girl, you kiss another  
You kiss them all but you wont recover  
Youre dancing slow, youre dancing fast  
Youre happy now but that wont last

Thats the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when youre to blame

Thats the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when youre to blame

Thats the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when youre to blame

Wine is sweet and gin is bitter  
You drink all you can but you wont forget her
