

# The Exies, My Goddess

I was knee deep in a sick love  
I was cross eyed under your drug  
Schizo savior  
Mad messiah  
Fatal worship  
You inspire

Gone, I don't believe in you now  
I've seen too much  
I don't believe in you now  
My goddess

You were counting on a free fall  
You laid your bet  
I would lose all  
Chalk up one less crucifixion  
I kick that sick old addiction

Damn, I don't believe in you now  
I've seen too much  
I don't believe in you now  
My goddess

Now you see  
What you get when you lose yourself  
What you get when you don't know who you are  
When you don't know who you are  
My goddess

Gone, I don't believe in you now  
I've seen too much  
I don't believe in you now  
My goddess

I don't believe in you  
I don't believe in you  
I don't believe in you  
My goddess

I don't believe in you  
I don't believe in you  
I don't believe in you  
My goddess
