

# The Exies, These Are The Days

The more I talk, the less I say  
When the words get in the way  
Loneliness is so hard  
Loneliness is so hard  
Ordinary, I confess  
Living under house arrest  
Maybe I belong here  
Maybe I belong

Suddenly there's beauty in  
The way my heart is caving in  
And every scar reminds me how  
I can't deny

These are the days that last forever  
A time in my life I won't surrender  
For better or worse, these are the days  
In my life I've loved no other  
We all have pain, we all have suffered  
For better or worse, these are the days  
I will remember

The more I learn, the less I know  
The final act of letting go  
Of everything that life takes  
The reason why my heart breaks

Suddenly there's comfort in  
The way the world comes crashing in  
And every tear reminds me I'm alive  
Tonight

These are the days that last forever  
A time in my life I won't surrender  
For better or worse, these are the days  
In my life I've loved no other  
We all have pain, we all have suffered  
For better or worse, these are the days  
I will remember

The more I talk, the less I say  
When the words get in the way  
Loneliness is so hard  
Loneliness is so hard  
Ordinary, I confess  
Living under house arrest  
Maybe I belong here  
Maybe I belong

These are the days that last forever  
A time in my life I won't surrender  
For better or worse, these are the days  
In my life I've loved no other  
We all have pain, we all have suffered  
For better or worse, these are the days  
I will remember  
I will remember  
I will remember
