## The Exit, Let's Go To Haiti

A man comes up, he's got the twitch, what are we doing here? Three black girls in a yellow room, it's never been so clear.

an hour away; people ain't got nothing to say...

Teacher don't teach me no nonsense, we ain't learning here;

Let's go to Haiti!

an hour away; people ain't got nothing to say... an hour away; people ain't got... people ain't got... nothing to say...

people don't got... people don't got...
