

# The Exploited, 15 Years

Back in the city  
Got something to say  
Kick out the Tories  
Send them on their way  
15 years  
Fuck off we say  
Lazy bastards is what they say  
They won't swap places with you no way  
15 years  
Fuck off we say  
Fed up by being skint everyday  
Walk the streets every fucking day  
15 years  
Fuck off we say  
Tory MP have sex with boy  
Back to basics a major ploy
