

# The Exploited, Don't Pay The Poll Tax

It's commin through your letter box  
A sheet for you to fill in  
You know you have to do it  
Cause you know you just can't win  
Dont pay the poll tax  
Stick it up her arse  
Maggie said community charge  
You better watch out the governments at large  
You don't fill it in f50 fine  
So you better send it back in time  
Don't pay the poll tax  
Stick it up her arse  
Fill in the sheet with all your fax  
They screw you with their poll tax  
Take from the poor give to the rich  
Doesn't that just make you sick  
Don't pay the poll tax  
Stick it up her arse  
Politicians go here  
Maggie thatcher flying there  
All the unemployment cuts  
That's paying for their fares
