

The Exploited, Drug Squad Man

Raided my house found my stash 2 grams of speed an ounce of hash
I was taken away in a big blue van
I was interrogated by the drug squad man
THE DRUG SQUAD MAN BUSTED THE DRUG SQUAD MAN
He asked me my name 10 times maybe more
He asked the address from where I would score
I wouldn't tell him so he kicked me in the head
I was punched in the face til my blood ran red
Busted by the drug squad man
Taken to court on Monday morning
By half past 2 I was in jail
Sitting in my cell I was shattered
That guy the sherriff wouldn't give me bail
