

The Exploited, I Don't Want A Holiday In The Sun

Put into camps
And left to rot and die
Put into camps
No real reason why

[Chorus]
I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun

A camp full of horror
Tales to unfold
The rapping of women
The young and the old

[Chorus]
I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun

[Vocal break]
I don't want a holiday in the sun [x3]

Put into camps
And left to rot and die
Put into camps
No real reason why

[Chorus]
I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun
